

# Danny Saucedo

Curriculum Vitae (CV)

## What job i'm looking for? My positive points

Throughout my career, I have contributed to positive business results through effective organization, prioritization and follow through of key organizational projects. While I am independently motivated, I appreciate collective efforts and collaborate productively within group settings. Moreover, I am competent in documentation and reporting and risk assessment with proficiency in cost control.

Preferred occupation	Chemical Engineer jobs Engineering jobs
	Process Engineer jobs Manufacturing, production operations jobs
	Quality Control, Assurance jobs Science Technology, Laboratory jobs
Preferred work location	Houston Texas

## Contacts and general information about me

Gender	Male
Residential location	Houston Texas

Email address	<i>Information is available only for registered users.</i> <a href="#">Sign in</a>

## Work experience

Working period **nuo 2013.11 iki 2017.12**  
 Company name Tres Valles Sugar Mill  
 You were working at: Chemical Engineer jobs  
 Occupation Sugar Production Supervisor  
 What you did at this job position? -Verify that the operating conditions meet the established parameters, to obtain the lowest losses of sucrose in the process. -Analyze and record the behavior of variables that establish the quality of the by-products of sugar manufacturing process. -Management of materials and resources used in the manufacturing process of Sugar. -Budget Management of the Sugar Production Area. -Selection and Management of the Operational Staff of the Area. -Planning, Execution, and Commissioning Projects that lead to the reduction of losses of sucrose in the process, improve product quality, reduce the risk of accidents and improve process efficiency. -Comply with and enforce the standards of EHS.

Working period **nuo 2014.12 iki 2017.12**  
 Company name Tres Valles Sugar Mill  
 You were working at: Chemical Engineer jobs  
 Occupation Head of Laboratory of Crystallography  
 What you did at this job position? -Instruct and train the staff of the Laboratory of Crystallography in the use of tools, equipment and software used. -Supervise personnel responsible for the proper application of the methodology described in the instructions. -Check the correct and effective flow of information between the Analyst Laboratory, the Sugar Production Supervisor and the Vacuum Pan Operators. -Propose opportunities for improvement in the Sugar Crystallization process aimed at obtaining uniformity in the crystal size, reducing the recirculation of molasses and reducing losses of sucrose in the process.

Working period **nuo 2017.12 iki 2018.12**  
 Company name Tres Valles Sugar Mill  
 You were working at: Chemical Engineer jobs  
 Occupation Head of Internal Control  
 What you did at this job position? 1) Management of Productive and Maintenance modulus at SAP, 2) Cost Manager. 3) Process Engineering Studies, 4) Food Safety Audit

**Education**

Educational period **nuo 2007.02 iki 2012.09**  
 Degree Bachelor  
 Educational institution Universidad Nacional Autónoma de Honduras  
 Educational qualification Chemical Engineer  
 I could work I could work as a Process Engineer, Quality Control Engineer, Quality Assurance Engineer

**Languages**

Language	Speaking level	Understanding level	Writing level
English	good	very good	fluent
Spanish	fluent	fluent	fluent

**Computer knowledge**

Good command on:

- Microsoft Word
- Microsoft Excel
- Microsoft Project
- Microsoft Powerpoint
- SAP
- Windows

Basic Knowledge on:

- Linux

**Conferences, seminars**

- Microsoft Project 2013 Basics, held at Unitec (Universidad Tecnológica Centroamericana) in September 2014.
- Sugar Advanced Course in Engineering, held in Costa Rica, by the Association of Sugar Technicians of Costa Rica (ATACORI), from July 27 to July 31, 2015.
- Cycle Water Treatment Training by AQA (Chemical Environmental Audit), conducted from November 25 to November 29, 2013.
- "Health and Quality Food Plant" Workshop at the School of Mechanical, Electrical, and Chemical Engineers of Honduras (CIMEQH) on March 20th, 2010.
- "Cleaner Production" Course at the National Autonomous University of Honduras held from June 21st to 24th, 2011.
- Course "Solid Waste Management" at the National Autonomous University of Honduras held from the July 6th to July 8th, 2011.
- "ISO 17025" Course at the National Autonomous University of Honduras, taught by Ms. Mirian Oliva from INFOP, held from November 10th to November 18th, 2011.
- "Introduction to ISO 9001:2008" Training at the National Autonomous University of Honduras, held from November 10th to November 11th, 2011.
- "Plant Design in Chemical Engineering and Equipment" Course, at the National Autonomous University of Honduras on May 29th, 2012.

**Recommendations**

Contact person	Rafael Núñez
Occupation	Sugar Production Coordinator
Company	Tres Valles Sugar Mill
Telephone number	+504 3147-5028
Email address	rnunez@tresvalles.hn

#### **Additional information**

Driver licenses	None, Class 5
Driver license from	2019-04-00 (5 years)
Salary you wish	4500 \$ per month
