

# Abdikarim Yasin

Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for a position in graphic design, i have a strong background in adobe photoshop, adobe priemier pro, capcut and etc.

I believe my passion for developing responsive and dynamic user interfaces aligns well with your mission to enhance user experience. Additionally, I'm eager to take on new challenges and continue growing my technical skills specialy web development for front end.

While I'm specifically looking for a front-end developer role, I'm open to exploring other positions within software development that allow me to leverage my skills and contribute to exciting projects.

"I believe my greatest strengths are my adaptability, problem-solving skills, and strong communication abilities".
